**Our team would like to thank our entire community for their patience and support during these unprecedented times. With respect to recent announcements made by provincial officials in BC and Alberta, our Vancouver and Calgary events are currently on hold for the time being. We will await further announcements from the provincial governments to ensure we take the correct steps moving forward. We are considering alternative dates in September/October for both locations, and will keep you updated throughout the summer if we are able to proceed. The Victoria Brewery & The Beast event date has not been placed on hold, however ticket sales to all three events will be paused until further notice.**

**Our team will continue to keep you informed on future event announcements and potential on-sale dates as they unfold.**

**From all of us at Brewery & The Beast please take care and stay well. We will be in touch soon.**
